## MOTHERS, DO THIS—

When the Children Cough, Rub Musterole on Throats and Chests

No telling how soon the symptoms may develop into croup, or worse. And then's when you're glad you have a jar of Musterole at hand to give prompt, sure relief. It does not blister.

As first aid and a certain remedy, Musterole is excellent. Thousands of mothers know it. You should keep a jar in the house, ready for instant use.

It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frosted feet and colds of the chest (it often prevents pneumonia). 20c and 60c jars; hospital size \$2.50.

"Flu" reported for several days and we are hoping its ravages are over. John Hess is improving slowly.

Frank Holly and family are able to go out again.

The Gorman Society met at the home of Mrs. Wm. Boland Thursday Feb. 5. Next meeting will be Feb. 19th at the home of Mrs. Wm. Adams Hickory street, Hammond.

Mrs. Russell Brown is out again after a siege of illness.

Better call up The Times and have it sent to your house every night. Then you'll be sure it will be there.

"You Ain't Heard Nothin' Yet" Till You Hear Al Jolson

Al tells you all about his sweetest—of almost all—in this latest *Sinbad* hit. The famous laugh of this exclusive Columbia artist is featured twice, and he keeps you laughing all the time. Coupled with Billy Murray's speedy, tuneful song, "Come On and Play With Me." A-2839—85c

## Oh, what a Jazz is Ted Lewis Jazz Bands' O'

Just as these exclusive Columbia artists seem to have tied themselves into a musical knot in this syncopated fox-trot, introducing "The Vamp," they extricate themselves by a melodious miracle and jazz merrily on. Coupled with Gorman's Novelty Symphonies' fox-trot "Barkin' Dog." A-2844—85c

## Hickman Trio Hits the High Spots

The Hickman Trio, from Art Hickman's Orchestra, which makes records for Columbia exclusively, jazzes the fox-trot "Nobody Knows" and the one-step "Wonderful Pal" in a way to make an aged cripple forget he ever had the gout. A-2839—85c

The money for plant extensions of the Telephone Company must be obtained through issuance of stocks, bonds or notes.

Reconstruction projects and new or expanding industrial undertakings are in the market for new capital.

Foreign governments are seeking loans for the rehabilitation of their devastated domains.

The competition for capital was never so keen and borrowers must show, beyond question, their ability to earn and pay interest and dividends.

The rate schedule is the index to the borrowing power of the Telephone Company. It should be liberal enough to demonstrate conclusively that the company will promptly carry out its obligations to stockholders and bondholders.

## Owners' Approval Is Like a Rousing Cheer

The Cleveland Six, from coast to coast, is establishing its place in motor-dom. The bitter cold days of the Northern winter have proved its ease of starting, just as the hot summer days, when hundreds of new Cleverlands were being driven across the country, proved the perfection of its radiation.

The Cleveland Six is in the hands of owners all over the United States today, and the chorus of satisfactory approval from these owners is like a rousing cheer. They say the car surprises them, pleases them, delights them. Its pliant power, its simple ease of handling, its boat-like comfort, surpass all

expectations. If you hope and plan to start the new season with a new five-passenger touring car which is a real six, or such a car of roadster type with wide, deep seat of restful cushioning and plenty of stow-away space, then come in and see the Cleveland Six.

A study of this car will interest you.  
A ride in it will convince you.
